

SERVICE INFORMATION

R-link Service

The R-link is a regional service that operates five days a week, Monday through Friday. These buses travel along Routes 22 and 139 connecting the towns of North Haven, North Branford and Branford with the CTTRANSIT and DATTCO services. Schedules are available at numerous locations throughout the region as well as on the R-link buses.

Bus Stops

Most stops are marked with R-link bus stop signs.

Flag Stops

The R-link offers flag stop service. This means when signaled, drivers will pull over in a safe location. Because safety is a priority, buses cannot stop in intersections, on hills or curves where there is limited sight-distance for oncoming traffic.

Off-Route Stops

The R-link offers curb-to-curb service off the scheduled route. This service is available within an area $\frac{3}{4}$ of a mile on either side of the route. The fare for these stops is \$2.50. To request an off-route service stop, passengers must call and make reservations. The number to call to make a reservation is: **(203) 288-6643**.

Passenger Assistance

Once the vehicle has been properly secured, the driver will be available to offer assistance to all passengers who request it getting on and off the vehicle.
